# PREFACE.

A large number of our subscribers have constantly sought from us lists of the trades in which they have a direct interest, for the purpose of addressing circulars, or drawing off lists of names for the use of traveling salesmen. Thus, a Classification into the various branches of business seems to have been greatly needed, and we have been urged from time to time to alter the form of the Reference Book, so that each trade, with its kindred branches, would have a distinct Classification. This we have found it impossible to do, because the alphabetical sequence of names—a prime necessity—would be lost. The difficulty would arise that in looking for the name of a trader, the business in which he is engaged would first have to be discovered, and, as many persons are in different branches of trade, in order to carry out the idea the name would have to be reprinted in numerous instances. This, with other reasons, made it impossible to classify the names in the ordinary way. A plan almost as effective, and far more simple, which does not interfere with the alphabetical arrangement, has been found, and with this edition of the Reference Book has been put into practical operation. Opposite almost every name in the within Reference Book a sign will be found, which on reference to the Key printed inside the cover, will indicate in what trade the parties are engaged. These arbitrary signs have been selected because of their distinctive character, making them very effective in the rapid discernment or picking out of the names in each trade. Simple as this system of Classification appears to be, it is what has been sought for without success ever since the Reference Book became a part of the mercantile machinery of the country. The plan has received the unanimous approval of many thousands of our subscribers, to whom it was submitted prior to its adoption. Indeed, the universal favor it has met with, and the number of congratulatory letters we have received from our patrons, have been a source of surprise to us, much as we believed in the probable value of the plan. It has cost us a large sum of money and much labor to incorporate it with our Book, but we will be more than repaid if it answers our expectations, and proves to be of that substantial usefulness to our Subscribers which we confidently anticipate it will be. The task of Classification has been a laborious one, and it will not be at all surprising if there are found numerous inaccuracies to be corrected in subsequent editions. It is equally true that there are some trades which, in a first attempt of thi

kind, we could not place or classify, but we will constantly improve in this regard, and we trust before long to have a perfect Classification. A Patent has been applied for, which, when secured, will insure to us the control of this process.

Notwithstanding the improvements in the Reference Book as above indicated, and the enormous number of corrections which have necessarily been made during the year, the usefulness of that publication is but an indication of what is possessed in the detailed reports which each Branch Agency has in its care. These reports have been largely enriched during the year by the careful reporting of all the events that have occurred as affecting each individual trader, and by constant observations of all the developments, intimations, and characteristics which each case has presented. The growth of facts, figures and conclusions which, year by year, adds to the store of information possessed by the Agency, makes these details of an importance difficult to estimate to those who are in pursuit of information, to guide them in granting credit. With anything like a revival of business, or even with trade in its present restricted limits, there is a greater necessity than ever for *all* the information that it is possible to obtain. In such circumstances we are glad to be able to offer to our subscribers the fullest and freest use of the vast stores of information which have been accumulated for their benefit, by the judicious expenditure of the revenues which, through their patronage and confidence, we are enabled to disburse.

# TERMS OF SUBSCRIPTION.

MEMORANDUM of the agreement between THE MERCANTILE AGENCY, on the one part, and the undersigned, Subscribers to the said Agency, on the other part, viz.:

The said MERCANTILE AGENCY are to communicate to us, on request, for our use in our business, as an aid to us in determining the propriety of giving credit, such information as they may possess concerning the Mercantile Standing and Credit of Merchants, Traders, Manufacturers, etc., throughout the United States and in the Dominion of Canada. It is agreed that such information has mainly been, and shall mainly be obtained and communicated by servants, clerks, attorneys, and employés, appointed as our sub-agents, in our behalf, by the said MERCANTILE AGENCY. The said information to be communicated by the said MERCANTILE AGENCY, in accordance with the following rules and stipulations, with which we, Subscribers to the Agency as aforesaid, agree to comply faithfully, to wit:

1. All verbal, written or printed information communicated to us, or to such confidential clerk, as may be authorized by us to receive the same, and all use of The Reference Book hereinafter named, and the Notification Sheet of corrections of said Book, shall be strictly confidential, and shall never, under any circumstances, be communicated to the persons reported, but shall be exclusively confined to the business of our establishment.

2. The said MERCANTILE AGENCY shall not be responsible for any loss caused by the neglect of any of the said servants, attorneys, clerks, and employés, in procuring, collecting, and communicating the said information, and the actual verity or correctness of the said information is in no manner guaranteed by the said MERCANTILE AGENCY. The action of said Agency being of necessity almost entirely confidential in all its departments and details, the said MERCANTILE AGENCY shall never, under any circumstances, be required by the subscriber to disclose the name of any such servant, clerk, attorney, or employé, or any fact whatever concerning him or her, or concerning the means or sources by or from which any information so possessed or communicated was obtained.

3. The said MERCANTILE AGENCY are hereby requested to place in our keeping, for our

exclusive use, a printed copy of a Reference Book, containing ratings or markings of estimated capital and relative credit standing of such business men, in such States as may be agreed upon, prepared by them or the servants, clerks, attorneys, and employés aforesaid, together with the Notification Sheet of corrections. We further agree, that upon the delivery to us of any subsequent edition of The Reference Book, the one now placed in our hands shall be surrendered to them, and also that upon the termination of our relations as subscribers, the copy then remaining in our hands shall be given up to the said MERCANTILE AGENCY, it being clearly understood and agreed upon that the title to said Reference Book is vested and remains in said MERCANTILE AGENCY.

4. We will pay in advance

Dollars for one year's services, from date hereof, of said MERCANTILE AGENCY, together with the use of said Reference Book, pursuant to the foregoing conditions; and, subject always to the conditions and obligations above-mentioned, the same sum annually thereafter, in advance, unless within ten days after the commencement of any subscription year, we notify said MERCANTILE AGENCY in writing to the contrary.

5. THE MERCANTILE AGENCY are hereby permitted to reserve to themselves the right to terminate this subscription at any time, on the repayment of the amount for the unexpired portion thereof.

6. If the inquiries for detailed reports during the year shall exceed in number, the excess we agree to pay for at the rate of per hundred.

# ASSIGNMENT AND COLLECTION LAWS.

## ONTARIO.

**Arrest and Imprisonment for Debt.**—Imprisonment for debt is not allowed in Ontario, but in case a creditor can make an affidavit that he has a cause of action to the amount of $100 and upwards, or that he has sustained damage to that amount; and also, by affidavit, show facts and circumstances to satisfy a judge that there is reasonable and probable cause that debtor is, unless forthwith apprehended, about to quit Ontario with intent to defraud his creditors, the debtor may be arrested and confined in close custody till he puts in special bail for such sum as shall be named by the judge in the order. The writ of capias so issued is the commencement of the action.

**Assignments.**—No trader can make a voluntary assignment preferring certain creditors; any such assignment can be set aside as fraudulent, and under certain circumstances the debtor by such a preferential assignment may make himself liable criminally.

**Attachments.**—Attachments only issue in case of absconding debtors who leave Ontario with intent to defraud their creditors, and who are possessed, to their own use and benefit, of real or personal property, credits, or effects, not exempt by law from seizure. All other actions are commenced by ordinary writ of summons.

**Bills of Exchange and Promissory Notes.**—These are governed by commercial law as to days of grace, protest and notice, the Ontario Statute not varying materially in this respect. Notes do not bear interest, unless expressed on the face, until after maturity, from which period, however, the legal rate—six per cent.—can be recovered. If a rate of interest is named on face of note, and in addition to the words, "with interest at the rate of ——," the words "until paid" are added, the *named* rate can be collected till date of payment of note, otherwise, without these words (or others of similar import), the expressed rate only during period of currency, and legal rate from maturity till payment can be collected.

**Chattel Mortgages**—Must be filed within five days of their being executed, and are only valid for a year from date, but may be renewed from year to year; such renewal must be made within thirty days before expiration of year, and filed also. Chattel mortgages are filed in the county clerk's office of the county in which the goods mortgaged are situate.

**Commissions.**—Commissions can issue from all courts of record, and upon a proper application in a suit in the division court, a commission will be directed to issue from the county court, to take the evidence to be used in the division court. The costs of the commission will be allowed to the successful party.

**Contracts of Married Women.**—Married women may contract and are liable on contracts to the same extent as *femes sole*, but such contracts must be made on faith of, and credit of her separate estate, and she must possess separate estate at time of contract, and at time of judgment. She may make notes and is liable thereon subject to above qualifications.

**Execution.**—Execution can issue on judgments by default in eight days after last days for appearance, or seventeen days from date of service of writ. In cases going to trial, execution does not issue until the fourth day of the term following the verdict in the superior courts—the second day of term in county court cases—unless the judge makes an order for immediate execution. The sheriff is bound to return writs at any time after demand, in writing. In division courts bailiff must return writ within thirty days, unless plaintiff authorizes him to renew writ for six months longer, and so from time to time. Writs in county and superior courts are good for one year from date, and may be renewed from year to year. Lands cannot be sold under execution until after expiration of a year from date of issue of execution. Executions cannot be stayed as a general rule, except on applications for new trial. Executions against lands bind lands of debtor in county in which issued from date of being placed in sheriff's hands, without being registered. This in superior and county court cases. Judgments in division courts for amounts exceeding $40 may be made judgments of the county court, and executions thereon issued against lands.

**Exemptions.**—The exemptions from execution are beds, bedding, and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles; all necessary fuel, meat, vegetables, fish, flour—not more than sufficient for ordinary consumption of debtor and family for thirty days and not exceeding in value $40; one cow, four sheep, two hogs, and food therefor for thirty days; tools and implements of or chattels ordinarily used in debtor's occupation to value of $60; bees reared and kept in hives to the extent of fifteen hives; no real estate.

**Interest.**—Interest may be recovered on open accounts from and after demand of payment and notice that interest will be charged if account not paid.

**Judgments.**—Judgments may be obtained during vacation. Judgment can be obtained in superior and county courts ten days after defendant served, if resident in Province. In division courts in eleven days after service, if defendant resides in county where suit commenced, or twenty-one days, if defendant resides in another county than the one sued in. These judgments, of course, are judgments by default. In contested cases, from one month to three months, except where no defense on the merits can be shown, when judgment may be entered under order of the court. Judgments are good for twenty years from their date.

**Jurisdiction of Courts.**—Superior courts unlimited jurisdiction; county courts up to $400, where amount ascertained by acts of parties or signature of defendant, as notes, bonds, &c.; open accounts and unsettled balances, up to $200. In division courts upon any note, bill of exchange, or any debt or money demand, the balance of which does not exceed $200, where the amount or original amount is ascertained by the signature of the defendant. In other cases, any unsettled balance, where it does not exceed $100, and where such is a balance of an account not originally exceeding $400. Notes and accounts are outlawed in six years from time they become due.

**Verification of Accounts.**—Verification is of no use and accounts and claims must be proved by admissions of defendant, or by evidence of witnesses examined in court, or their evidence can be taken under commission if non-residents, or sick or absent.

## QUEBEC.

**Assignments.**—Voluntary assignments may be made, but if a creditor does not become a party to the proceedings, his claim will not be discharged thereby. The insolvency law has been repealed.

**Attachments.**—Attachments issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

**Chattel Mortgages.**—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

**Commissions.**—Commissions can issue from the circuit court and superior court.

**Contracts of Married Women.**—A wife, who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them.

**Execution.**—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. Execution can only be stayed by opposition of defendant, supported by affidavit, which can be filed on the ground of informalities in seizure, or seizure of goods of third party though in possession of defendant. Case tried in the ordinary way, to test these rights, takes from two to three months. The sheriff must return execution on return day mentioned in the writ, which is generally for moveables about twenty days after the issuing thereof, and for lands two months.

**Exemptions.**—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for thirty days, and not exceeding in value $40. One cow, four sheep, two hogs and food therefore for thirty days: Tools and implements of, or chattels ordinarily used in debtor's occupation, &c., &c. No real estate.

**Interest.**—Interest may be charged when defendant has promised to pay it. or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 6 per cent.

**Judgments.**—Judgments may be obtained all the year round, except from 10th July to 31st August, and a few days at the end of each month. Judgments may be obtained where no defence interposed in circuit courts in eight days, in superior courts in fourteen days, and in both courts one extra day must be allowed for every fifteen miles that defendant lives from Montreal. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

**Jurisdiction of Courts.**—Circuit court up to $100; superior courts, all amounts above $100; notes and accounts are outlawed in five years.

**Verification of Accounts.**—No verification is wanted; accounts and claims must be proved out of mouth of defendant or by witnesses examined in court or under commission if witnesses reside in States or are absent.

Copyright, 1885, by E. W. BULLINGER.

# EXPLANATIONS OF ARRANGEMENT, SIGNS, &c.

In the alphabetically arranged list commencing on page 13, will be found the names of all the Post Offices, and all the Railroad Stations in he Dominion of Canada.

The list should be read and used as follows:

**Caution.**—*If you do not find the place for which you are looking, try some other way of spelling the name, and look again. If you are looking for a Railroad Station, and do not find it, add the word Depot or Station to the name, and try again.*

All names printed in Roman type ("Abbott's Corners, Missisquoi, Que.") are Post Offices.

All names printed in *Italic* type (*"Adams, Hants, N. S."*) are not Post Offices, or are known to the Post Office Department by another name, as "*Bolton, Cardwell, Ont.*" is "Albion P. O." It will be noted in regard to such places, having what may be called "double names," that they are Railroad Stations to which the Railroad Company and the Post Office Department apply different names; the *italic* is the Railroad Name, and at the Post Office will be found also the other name, as "Albion, Cardwell, Ont." is on Railroad No. 1154, and the "R.R. name" is Bolton.

The names to which a * is prefixed are **Money Order Post Offices.**

The numbers and names placed opposite every place (in second column) indicate the Railroad (by reference to List of Railroads on page 6), on which the place or the Nearest Railroad Station is located, as—

"Abbott's Corners, Missisquoi, Que." (page 13), the nearest Railroad Station is "Frelighsburg" on Railroad No. 1311, which by list on page 6, is the Frelighsburg Division of the Southeastern Railroad.

"Abbotsford, Rouville, Que." (page 13) is a Railroad Station, and Post Office, on Railroad No. 1308, which by list on page 6, is the Champlain Division of Southeastern R.R.

"Amherstburgh, Essex, Ont." is on the Amherstburg Division of the Michigan Central Railroad (No. 1233) and on the Detroit River (No. 932).

The "Nearest Railroad Station" is (with very few exceptions) the Station from which the Mail is served to the place.

## TELEGRAPH OFFICES.

The × indicates that the place in the first column of the line on which it is placed, is a Telegraph Station. There are also a few Telegraph Stations which were not of sufficient importance to be either a Railroad Station or a Post Office, that we have omitted from our list, being unable to obtain sufficient particulars in regard to them from the Telegraph Companies, to enable us to locate them.
